### WMC 2010 Information Update #2

Dear friends,

due to special circumstances reported by single WTBA member federations, the **entry period** for the World Men Championships 2010 will again be opened and be **extended to 15<sup>th</sup> June 2010**. This decision has been taken in accordance with the WTBA Tournament Director in respect of the proved inability of a few number of federations to meet the deadline set before within their sphere of influence.

It is however mandatory for all federations that still want to enter the WMC 2010 to deliver Form A, B and C with their **full information as soon as possible**, but in any case **before the next deadline** which is **15<sup>th</sup> June for Forms A, B and C** from all federations. Definitely no further entries can be accepted after this final deadline and **no exceptions** can be made.

Please support the preparation of the WMC 2010 by submitting your Forms in time. Thank you for your cooperation!
